

Corian® Home Design Partner Program

Overview and FAQs

Benefits:

- Placement on the [Corian.com](https://www.corian.com) or [CorianQuartz.com](https://www.corianquartz.com) retailer locators, if you meet the criteria to be listed online. Please connect with your distributor if you would like to be featured.
- Leads - Homeowners can find you on our “Where to Buy” locators. Also, customers that contact Corian® Design will be given the closest Home Design Partner information.
- Training, industry, and design insights.
- Receive the latest communications on new products, color launches, promotions, and more.
- First access to NEW aesthetics and colors
- Samples, tools and collateral
- Access to images and digital logos for approved use on websites (per Proper Use Guidelines).

Requirements: Retailers and Fabricating Retailers who have

- An installed vignette display of Corian® Solid Surface or Corian® Quartz with medallions.
- A Corian® Design sample tower and/or counter rack.
- The appropriate Corian® Solid Surface or Corian® Quartz logos on the retailer’s websites (if the retailer has material brands listed) and in showroom merchandising
- Promote Corian® as a top tier material option. (Training may be required.)

How do I become a Corian® Home Design Partner or a Corian® Certified Fabricator?

The process to become a Corian® Certified Fabricator is different from the Corian® Home Design Partner process. Contact the [distributor](#) in your area to find out if you can join the Corian® team.*

**Eligibility is solely at the discretion of your regional Corian® Design representative and can be revoked at any time.*
