

Corian® Quartz Calacatta Medallion

CORIAN® QUARTZ FEATURES & BENEFITS

CAREFREE: Unlike other materials, you never have to seal, polish, wax, or recondition the surface to maintain its luster.

DURABLE: Withstands the impacts, nicks and cuts of daily wear and tear, to maintain its good looks and minimize maintenance.

HEAT RESISTANT: While the surface is heat resistant, using trivets or heat pads is recommended to maintain your surface.

NONPOROUS: Does not support the growth of mold, mildew, or bacteria when properly cleaned to maintain a hygienic surface.

STAIN-RESISTANT: A smooth finish prevents liquids from penetrating the surface making it easy to clean with soap and water.

TRUSTWORTHY: Backed by the confidence of a 10-year transferable residential limited warranty and a company with a legacy of over 200 years.
