INTRODUCING CORIAN® QUARTZ

A new dimension of
surface design

Make Your Space™

THE CORIAN® QUARTZ AESTHETICS FOR 2019

A new dimension of surface design

Corian® Design will make your space fresh, functional, and can transform a space into an environment that is unique to your tastes. Our brand vision, Corian® Design: Make Your Space™ invites you to meet the Corian® you never knew. Our offerings of Corian® Solid Surface and Corian® Quartz are renowned for the variety of patterns and color schemes, durability and cleanliness that enable you to make an impact with your space. With so many aesthetics and countless functionalities to personalize your own space, experience Corian® Design as you never have before.

Nature, pure and simple, is forever a sought after as a revelation for beautiful, modern design. And so it is with Corian® Quartz. Organic and geological in inspiration, guided by new design and style directions, the new Corian® Quartz introductions reflect the natural world at its best. Encompassing modern technology, Corian® Quartz offers aesthetics with visual depth, embraces various design styles, and offers refined patterns and varied hues to create enduring environments.

BLUE CARRARA

Like the elegant texture of Chinese blue and white porcelain, the blue veining hide in the quiet space and provide a unique impression.

FULL SLAB IMAGE

CALACATTA NATURA

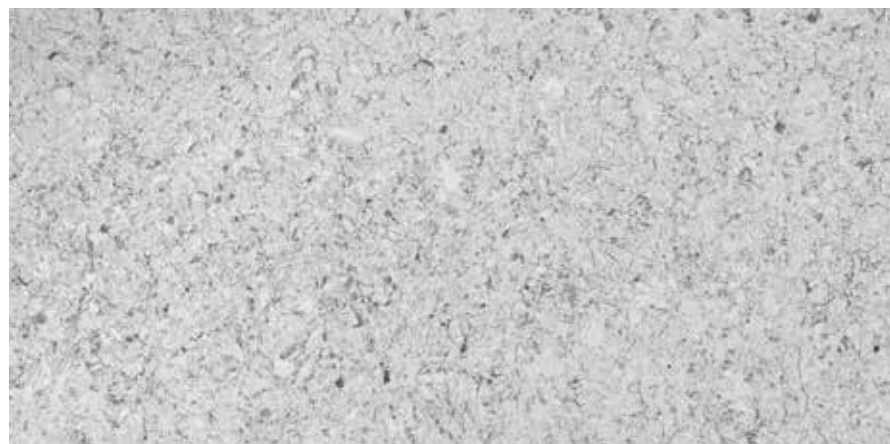

A crackle of bold, dramatic veining brings striking depth to a classical color palette.

FULL SLAB IMAGE

CATALAN CREAM

The quiet elegance of **Catalan Cream** is energized with bold veins throughout the design. The light cream background with the addition of vibrant veining, establishes a look of bold refinement that is comfortable in any environment and complements any style.

FULL SLAB IMAGE

BLACK QUASAR

Suggesting the furthest reaches of deep space, this design layers a black ground with dark elements of near black, and is enhanced with the subtle glistening of metallic elements. At once intriguing, it invites you to delve into its expansive depth.

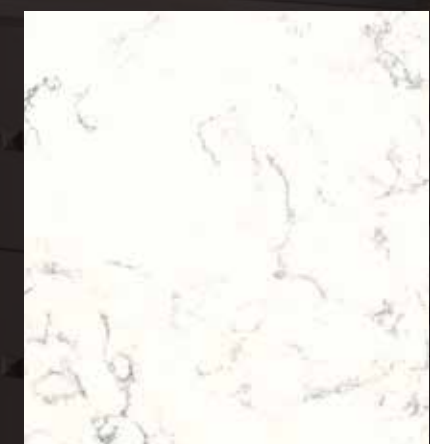

FULL SLAB IMAGE

COARSE CARRARA

It features frosted grays which transcend into bright white color with beautiful scattered veining.

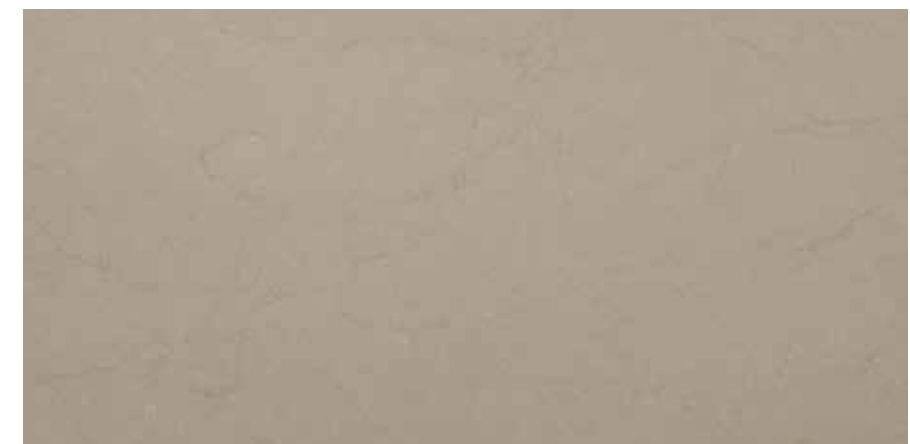

FULL SLAB IMAGE

QUARRY STONE

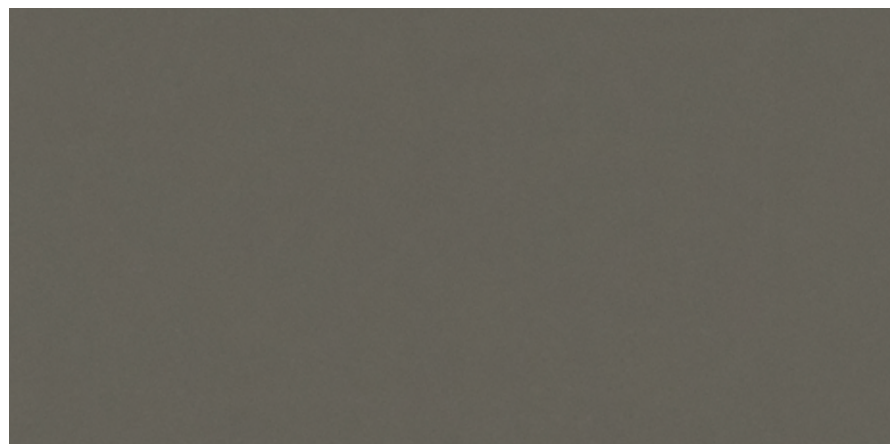

Merging brown and grey, a pebbled texture, and soft finish, this pattern adds sinuous veining to complete a look that is natural, as well as a modern neutral. Its mid-range depth acts as an excellent companion to light and dark colors, and either traditional or contemporary design.

FULL SLAB IMAGE

GRAPHITE

It is modern, cosmopolitan and fashionable, this dark grey conjures the color of the urban landscape. Elegant in its darkness, yet light enough to coordinate with numerous styles, it can be the go-to color for traditional spaces as well as cutting-edge design.

FULL SLAB IMAGE

VENETIAN BROWN

Elegant and stylish, **Venetian Brown** is a deep brown with gold-colored veins that makes a statement of rich color and inner opulence. It has a style that respects classic design, but is a new definition for modern brown.

FULL SLAB IMAGE

ASHEN SAND

Restrained in color and pattern, but bold with style possibilities, **Ashen Sand** offers an overall effect of minimalist nature. The light gray background is strewn with minute particles that add slight visual texture for an aesthetic that is modern and simple.

FULL SLAB IMAGE

DOVE GREY

It is modern and urban, the cool grey is made more accessible with a softened pattern that suggests an early morning fog.

FULL SLAB IMAGE

NEVE

Grab your climbing gear; it's time to satisfy your wanderlust! Scale new heights and reach new peaks with Névé, an exquisite alpine glacier color that holds crisp white with subtle striations.

It has strength and power and can offer a cooling visual element to a design scheme. Enhanced with small markings in grey and black, it coordinates well with dark as well as light neutrals, and its cooling natural balances any interior.

FULL SLAB IMAGE

GRIGIO ALPI

The medium grey with deep colored veins captures a mood of the city, at once urban and urbane, the leathered, soft texture calls to mind grand boulevards and soaring buildings.

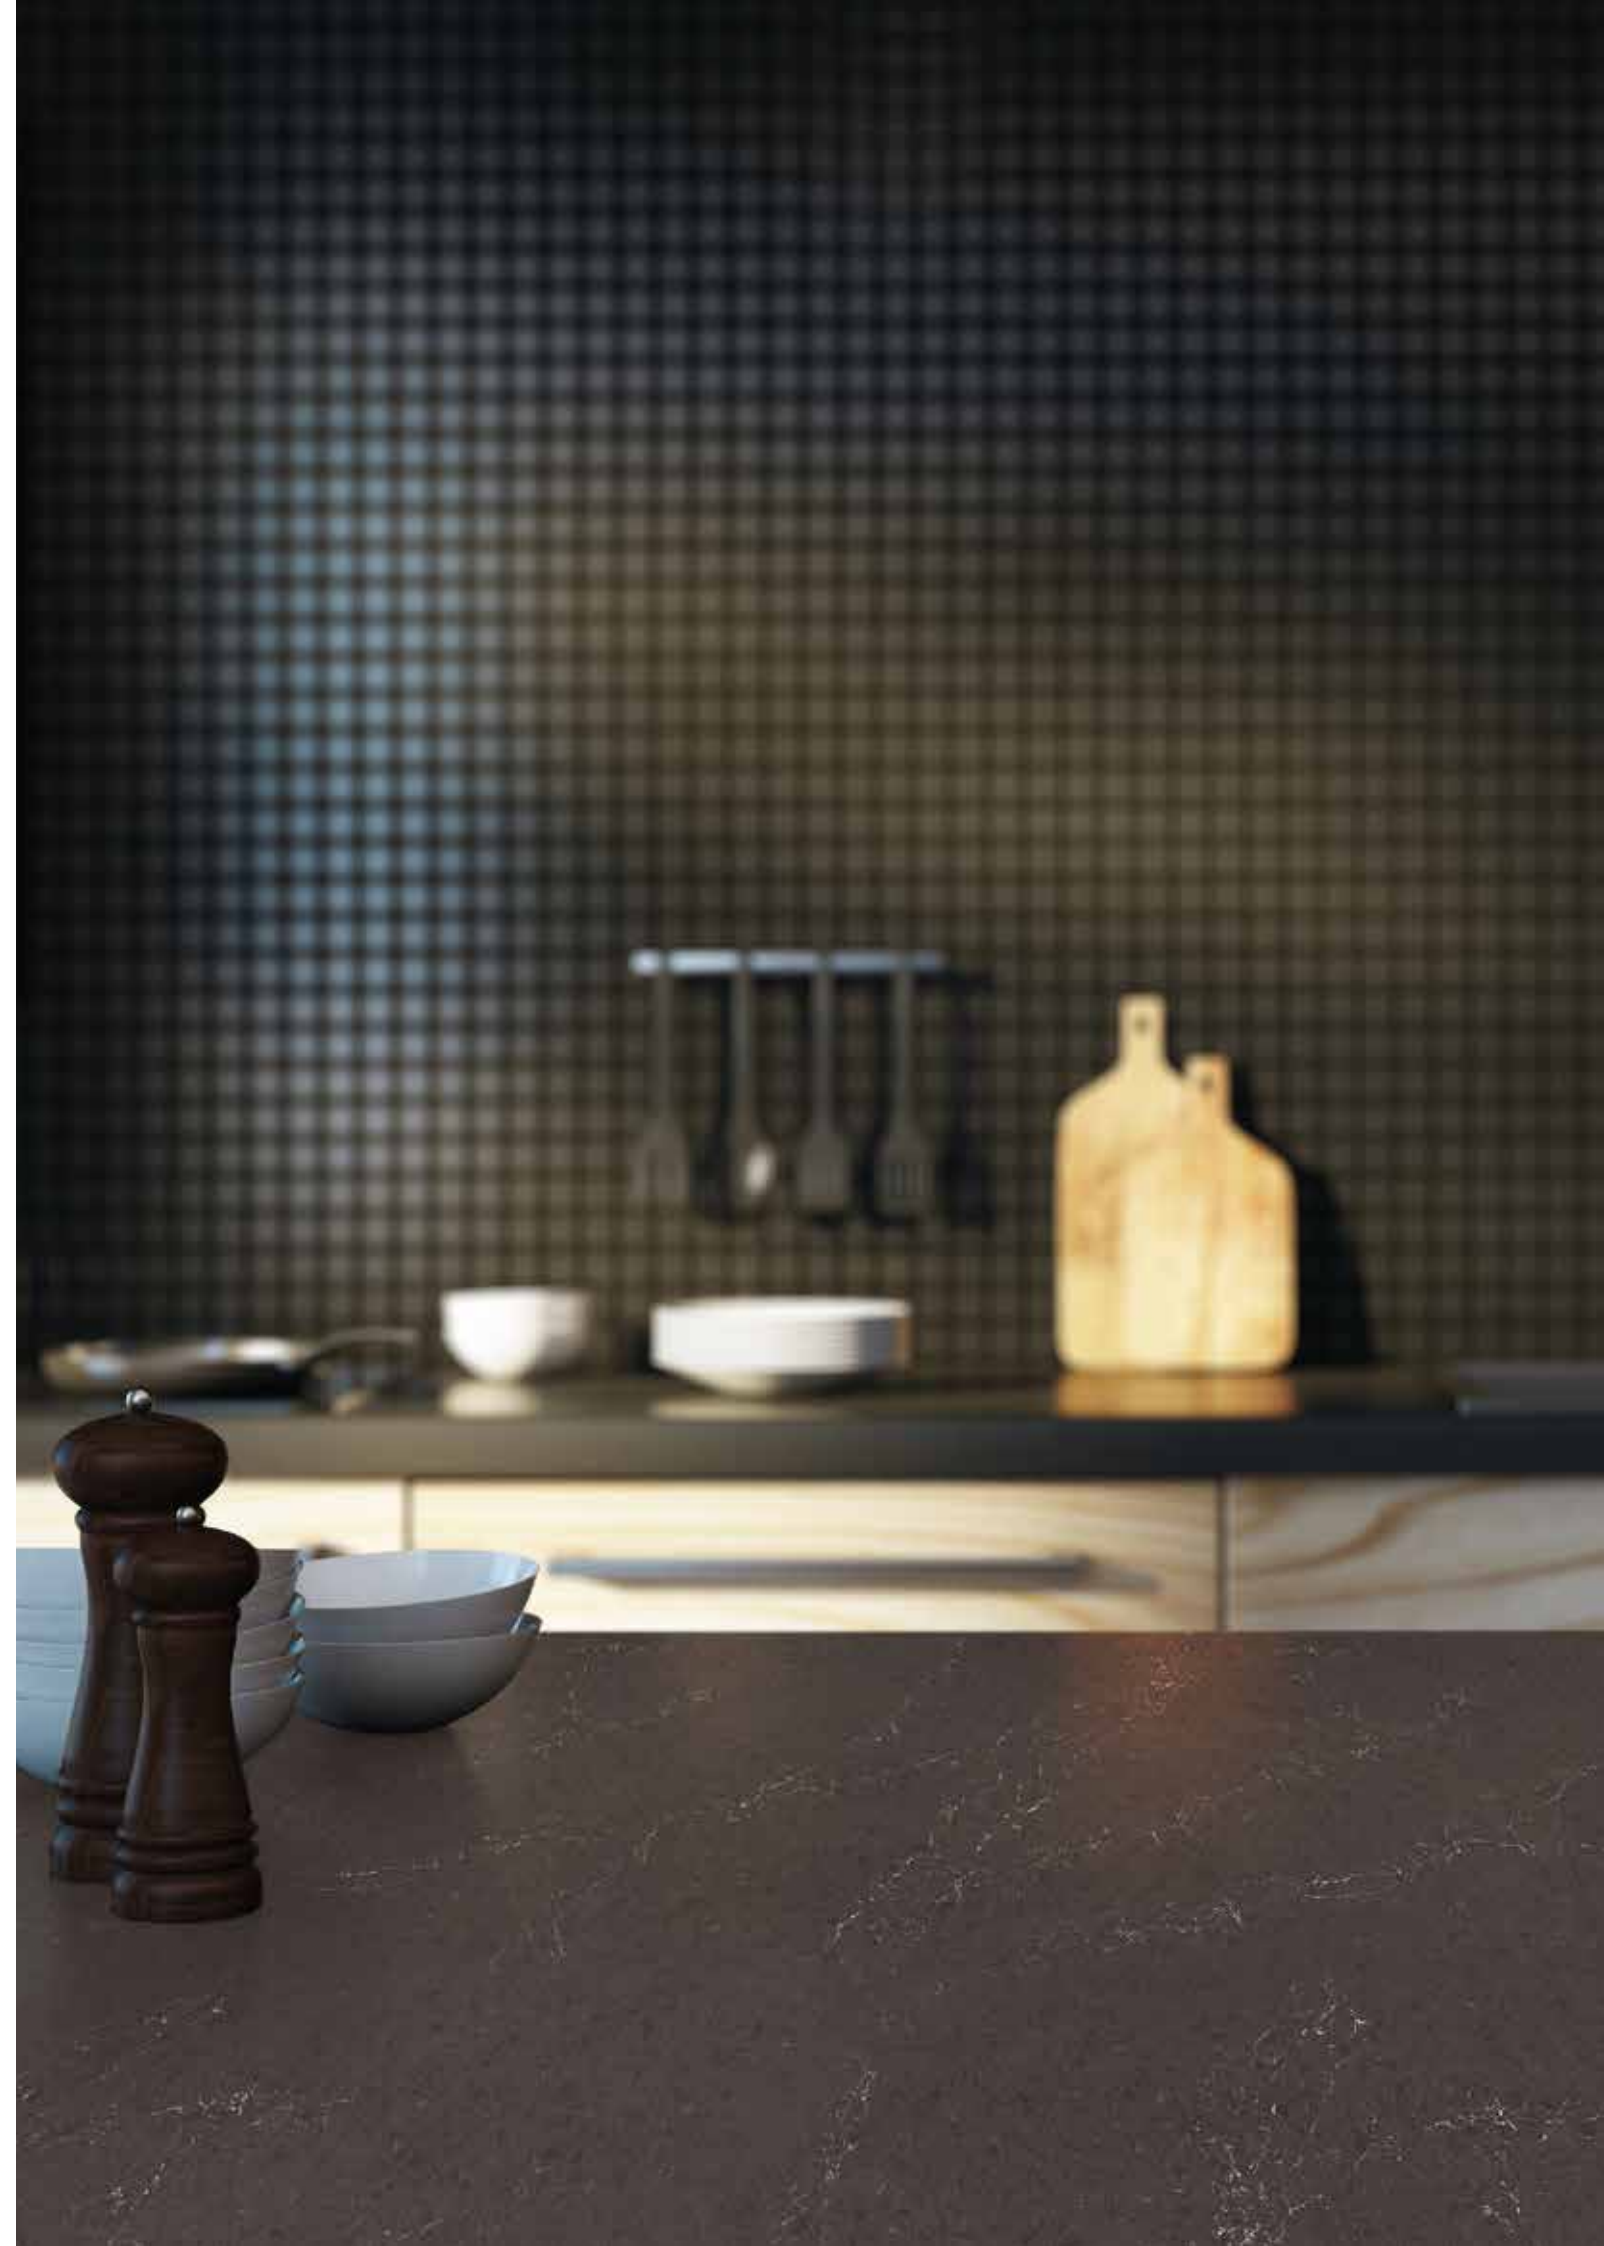

FULL SLAB IMAGE

MARINE CLAY

Dramatic inspirations emerge from nature and **Marine Clay** draws its aesthetic from the deep clay of the earth. The near black background color is enhanced with light gray veins revealing a rich interpretation of earth's rich terrain, and many design options.

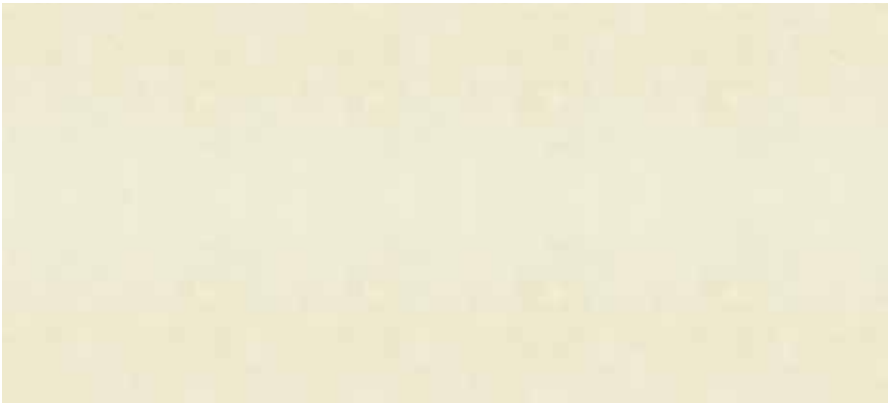

FULL SLAB IMAGE

MORNING SAND

As the first glints of sunlight caress the coastline, the beauty of **Morning Sand** is revealed. The creamy, pale background is subtle with minute speckles of color that bring to mind a stroll along the shore. It is traditional and modern, and forever timeless.

FULL SLAB IMAGE

PEARL STONE

Various solid and translucent particles, and understated veining, enhance a soft gray ground for this aesthetic of refined strength. Light glistens and bounces off the particles and completes a sophisticated take on inspired stone aesthetics.

FULL SLAB IMAGE

MOCHA LATTE

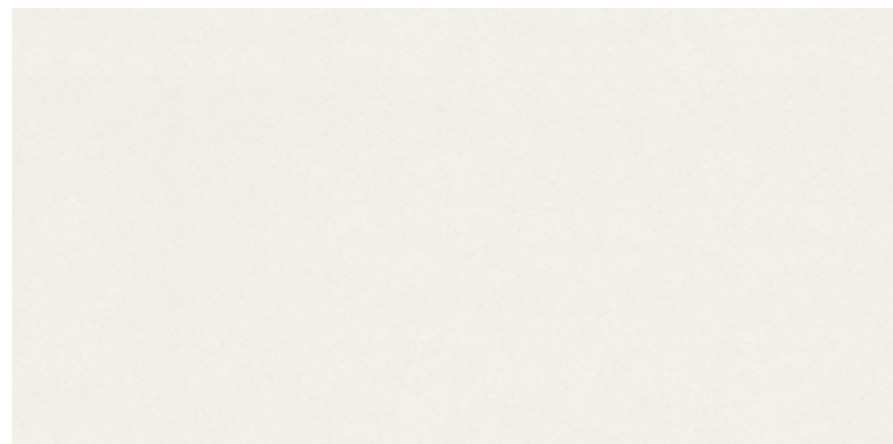

Mocha Latte is frothy and delectable, this color is sparked with glistening touches and made dramatic with swirls of cocoa and black. It offers a dramatic option for pattern and can be impulsive and joyous.

FULL SLAB IMAGE

STELLA WHITE

Stella White offers an aesthetic of brightness and simplicity for any design environment. The dazzling white hue is enhanced with subtle elements that add intricacy and visual interest, and creates a new look for white that transcends its modest origins

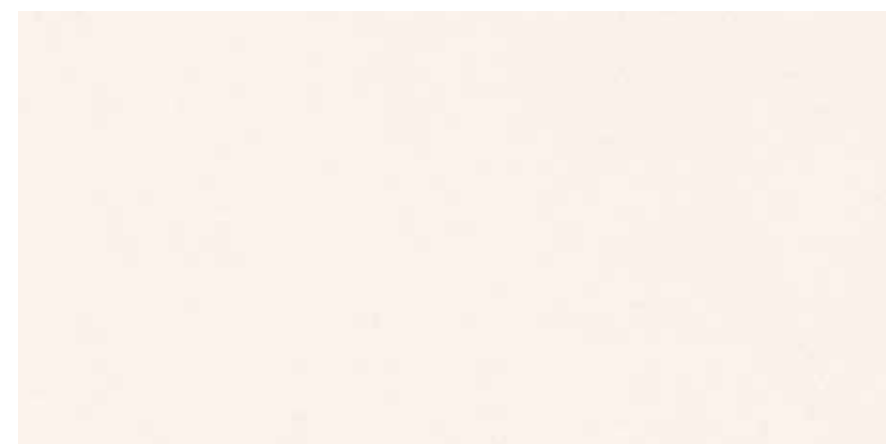

FULL SLAB IMAGE

SNOW WHITE

It is a pure white, with a pleasant level of translucency.

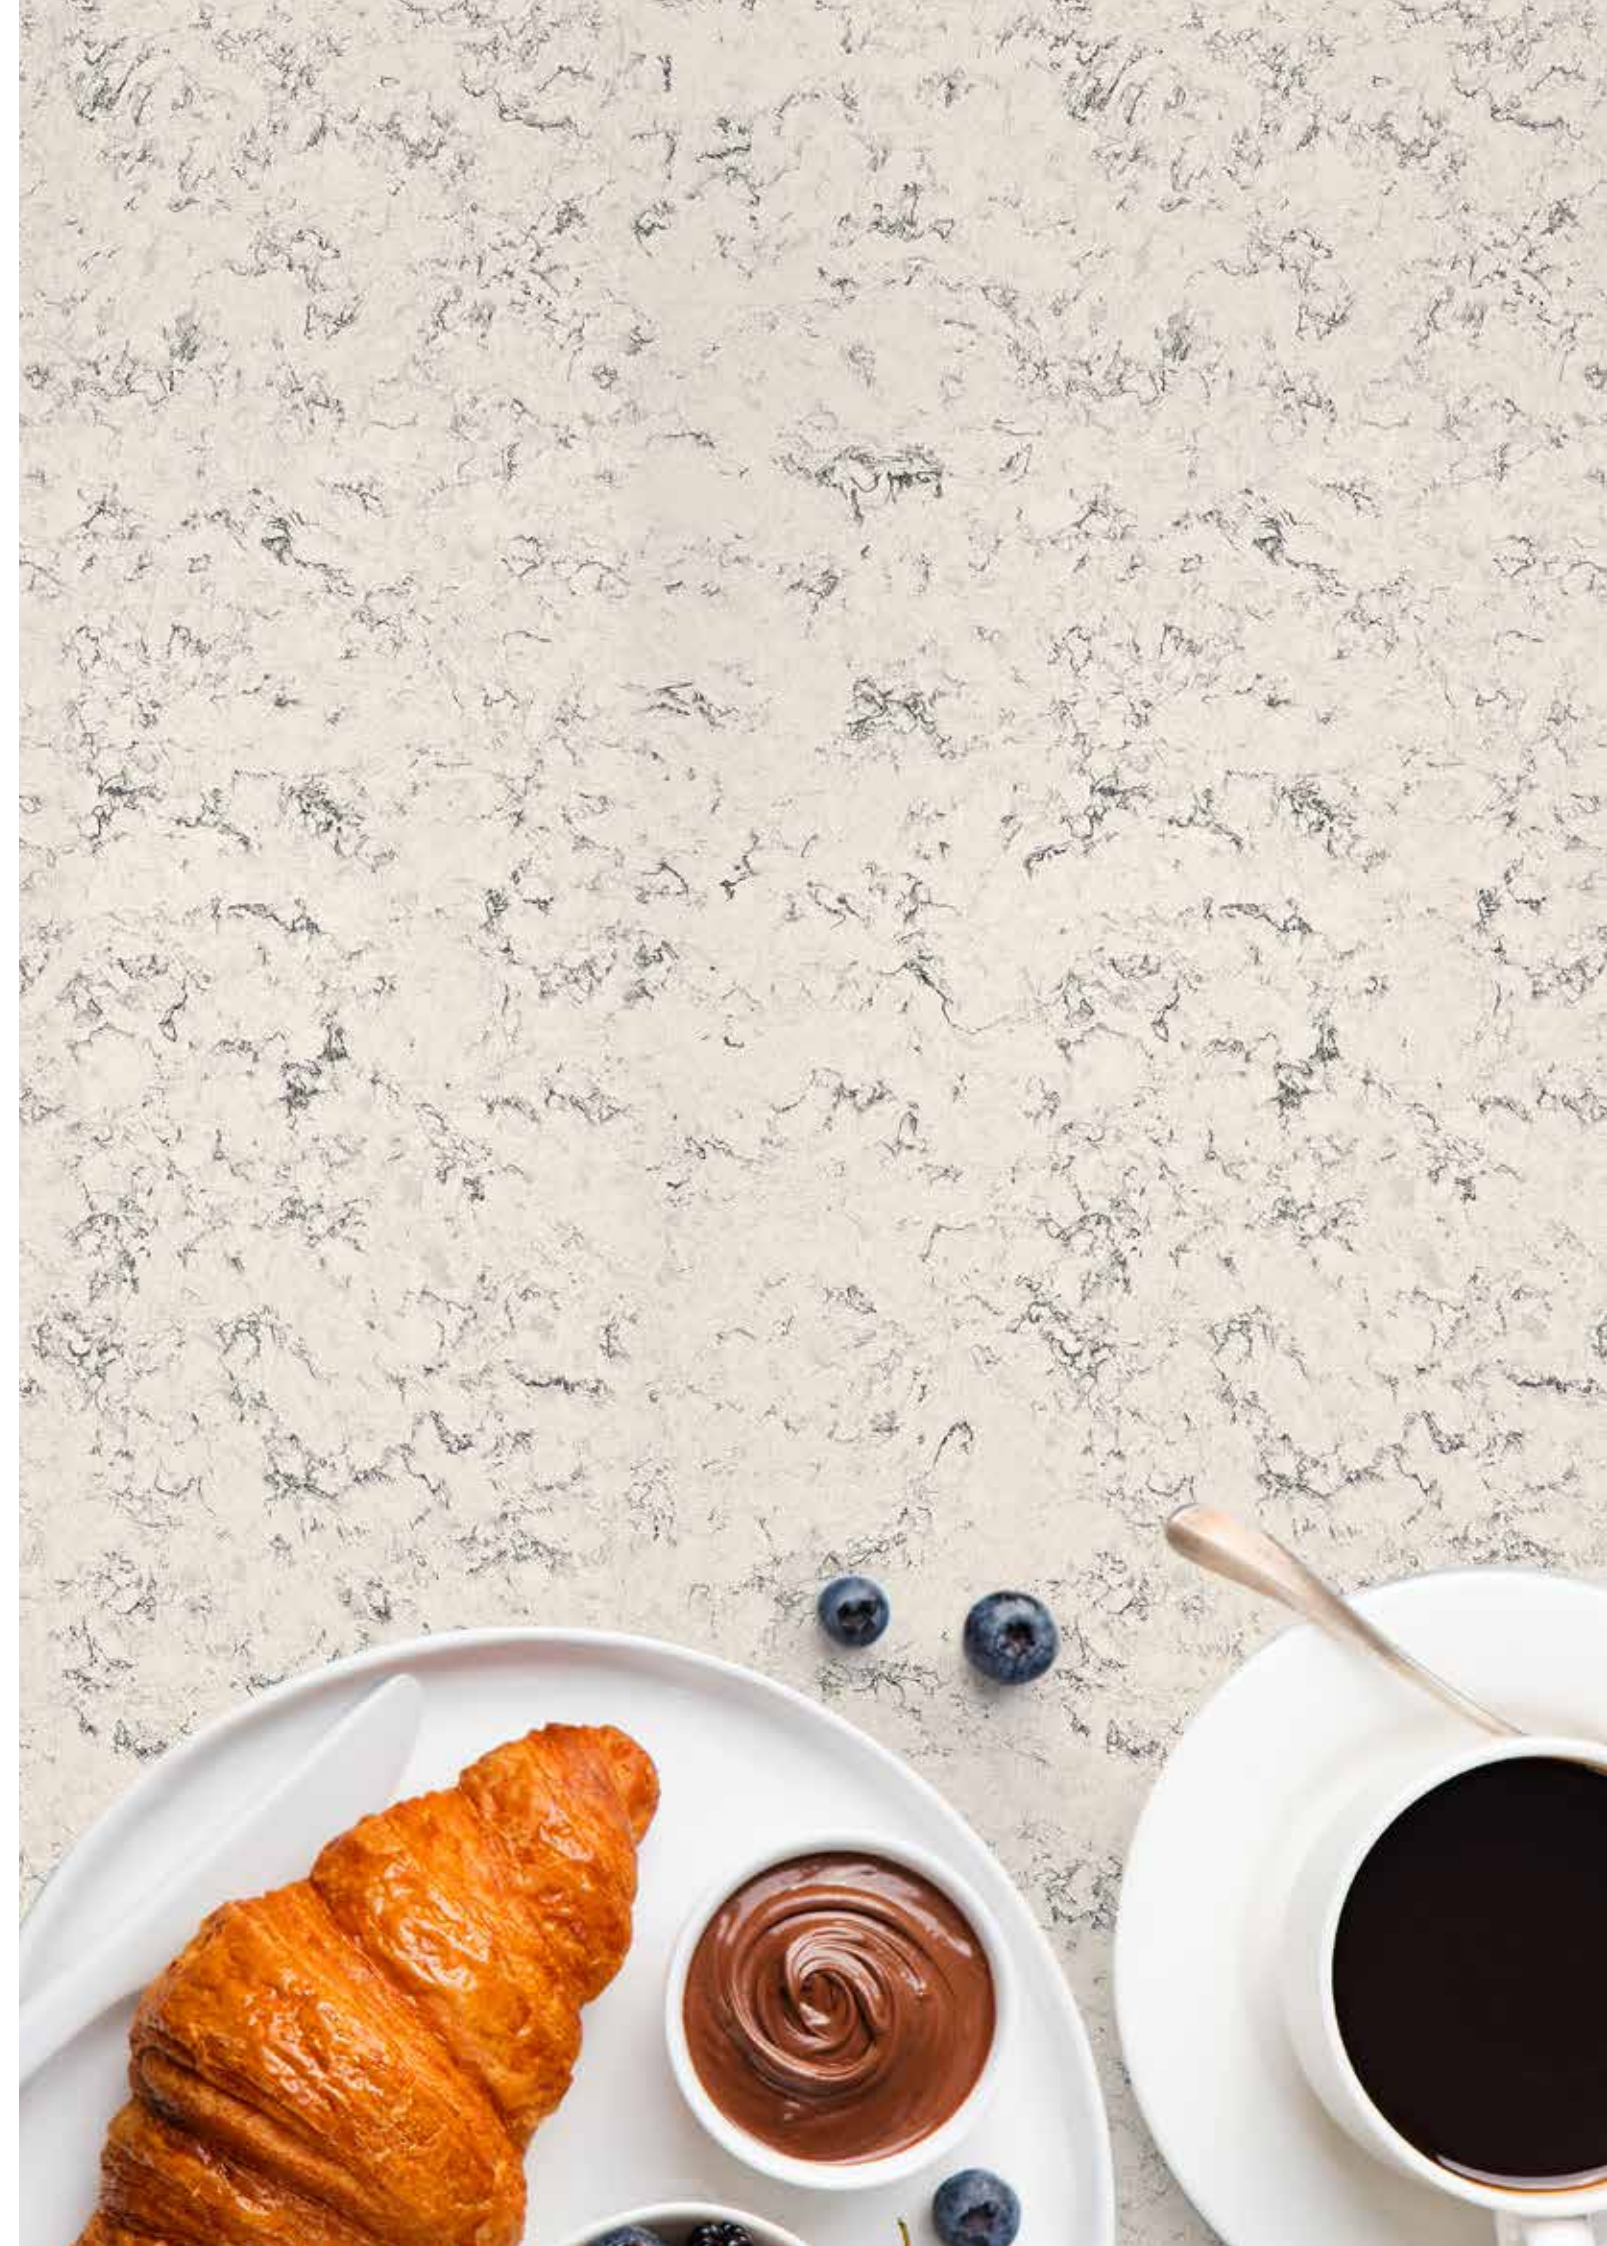

FULL SLAB IMAGE

CALGARY BREEZE

The crisp air and grand vistas of the Canadian Rockies inspire **Calgary Breeze**. The aesthetic is defined by its fresh white ground coursing with dark veining and particles. The appearance is adventurous and stylish, with an unsurpassed natural beauty.

FULL SLAB IMAGE

STRATUS WHITE

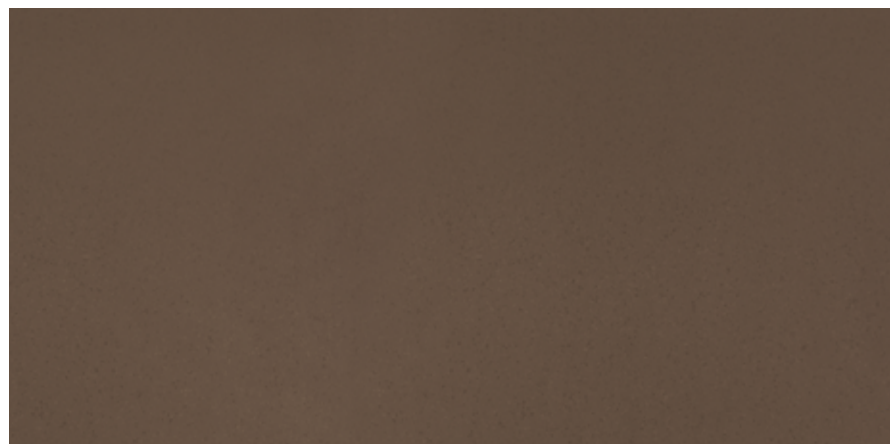

Stratus White, ethereal and frothy, the white ground comes with quiet touches of gray and pale beige that give it richness without losing its feather-like quality of lightness.

FULL SLAB IMAGE

TERRA MATER

Terra Mater is a visual fusion of earth and water. The sophisticated brown background is embedded with deep blue elements for a look that celebrates the sweeping beauty of nature and creates an interior environment of beauty.

FULL SLAB IMAGE

MARBLE MIST

Bask in the glistening mountain air; drink in the harvest vines that wind across the fields, and up to the chateaux! As seen through the morning haze in Tuscany, Marble Mist is a glimpse of timeless structures in the distance.

Cushion and tame the look of dark woods and metals with this gently dappled pattern. Embrace the dewy dawn light of Mont Blanc and share it with your guests back home.

FULL SLAB IMAGE

GLACIER PEAK

A light touch of design and color give **Glacier Peak** the subdued grandeur of a mountain summit. The easy, natural styling of its cream background, accented with burnished violet swirls, creates a subtle effect that balances its elements into a single statement of design.

FULL SLAB IMAGE

URBAN CHALK

The chic of the city with a neutral mood, **Urban Chalk** has a subtle multi-gray background with swirls of white. The look is modern and creates a sleek aesthetic for contemporary living.

FULL SLAB IMAGE

SANDBAR

It has a refined pattern and natural coloring that give this hue an urbane appearance. The quiet tan suggests a sandy beach in a hip part of town.

FULL SLAB IMAGE

SHADOW SLATE

Rich with visual layering, **Shadow Slate** draws your attention first to its deep gray color, then to its contrasting light and dark veining. A superb rendition of a classic, natural stone, it suggests both modern and traditional looks and can easily enhance multiple design styles.

FULL SLAB IMAGE

LAKEFRONT

Inspired by the dynamic texture of water as it freezes, **Lakefront** strikes a cool aesthetic with flowing patterns of white, gray, and black for a look that mimics nature with new refinement.

FULL SLAB IMAGE

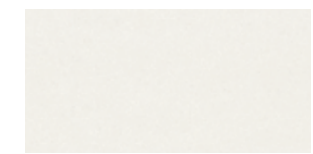

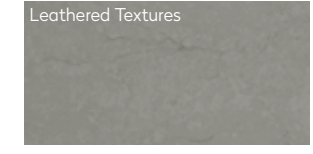

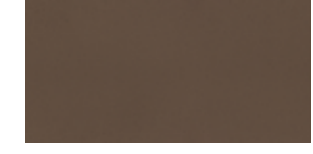

SCANDINAVIAN GRAY

A Nordic influence imbues **Scandinavian Gray** for its sophisticated look. The simple gray color is enhanced with darker patterning throughout the surface. The visual effect is the merging of the shoreline, sky, and landscape into a statement of beautiful nature.
